

Thank you, Harry and Tom, for my beautiful home. Thank you for all of your hard work, advice, cooperation, patience, understanding shall I go on? I can't sing Shore ~ Blanton Construction, Inc.'s praises enough! The workmanship, attention to detail, and follow-through were far above my expectations. My home is better than I could have imagined. I would gladly build another house with you guys, but I'm not going anywhere! I am home to stay! Thanks again!
